

Content to consider: Further information from the company.

The content and theme of the show is based on the dark comedy horror film, An American Werewolf in London, so some of the content in the show may reflect a similar style and content, as well as scary and disturbing themes. As this is a work in progress, some of the content may be subject to change, however it may contain:

- Strong language
- References to violence, death and brief descriptive imagery of a dead body
- References to gender dysphoria
- References to transphobia and homophobia
- Brief sexual references
- Brief mentions of paedophilia and suggestions of childhood trauma (in reference to the part of the film 'A naked American man stole my balloons').

All of the work is approached through a light-hearted and humorous lens, giving distance to this content.
