

TRANSITIONS

SKIN IM IN:

Unzip me, unzip me, I will spill out
Unzip my, upzip this skin I'm in

I'm falling out, calling out , I'm crawling, I'm crawling from
this, old, skin, I'm, in

Leave behind
Leave behind grows wings and i will fly (I think)
the fledgling inside me will fly I

Leave behind
Leave behind grows wings and i will fly (I think)
the fledgling inside me will fly I

Unpick me, unpick me, time has run out
unpick my, unpick this skin I'm in

I'm spilling out, spilling out I'm brand new in
this, new, skin, I'm -

There's no map with this skin, draw your stories on my
There's no map with this skin, draw your stories on my

I'm spilling out, spilling out I'm brand new
This new miracle of me I'm brand new

This new skin I'm in
